

## It's the Jubilee!

Let's celebrate, let's celebrate,  
 It's time to party come on!  
 It's the best day of our lives,  
**HOORAY, HOORAY!**  
 The Queen.  
 It's a remarkable achievement,  
 It's a special time for all,  
 Everybody get together,  
 Come on what are we waiting for?  
 The jubilee, the jubilee!  
 Tea parties everywhere,  
 Let's wave our flags as the queen comes past,  
 A wonderful reign, the Queen brings hope to all.

Hooray!

It's
